EXPERIENCE

Web Design/Developer

Freelance – New York, NY

May 2025 – Current

- Collaborated with clients to design and build customized websites with modern front-end and back-end technologies.
- Independently managed freelance responsibilities, such as billing, maintenance, and customer support.

Studio Assistant

Mizin Shin, TeachPrint – Rochester, NY

September 2023 – May 2025

- Developed accessible print techniques with printmaker Mizin Shin.
- Ran printmaking workshops for art educators and students in NY.
- Produced online educational videos to improve the accessibility and quality of art education.

Design Intern

Monira Foundation – Jersey City, NJ

January 2024 – May 2024

- Designed graphical content for social media, increasing public engagement.
- Led technical troubleshooting of PCs, printers, and projections for exhibitions, events, and internal use.
- Managed their Wordpress website, improving content management efficiency.

IT Support Specialist

Sentinel Technology – Seoul, South Korea

March 2021 – May 2023

- Developed security software used by governmental organizations, preventing 10,000+ cases of personal information leaks on the web.
- Managed over 10 clients, providing over-the-phone and in-person customer support.
- Traveled on-site to lead meetings with clients and provide in-person technical assistance.
