

Joo Eon Park

Digital Designer based in Brooklyn

EXPERIENCE

free agency®

New York, NY / **Web Designer** Dec 2025–Current

Designed the e-commerce website for the early-stage fashion brand based in NYC, contributing to their online brand identity.

Fully implemented their bespoke website on Shopify, facilitating online sales revenue.

Freelance

New York, NY / **Web & Graphic Designer** May 2025–Current

Designed and implemented a web art portfolio for artist Allen Topolski, improving digital presence and reach.

Designed social media content for NY fashion week and local music events, increasing online engagement and attendance metrics.

TeachPrint

Rochester, NY / **Studio Assistant** September 2023–May 2025

Organized and ran workshops for art educators and students in NY.

Produced educational videos on YouTube, broadening the accessibility of printmaking in education.

Monira Foundation

Jersey City, NJ / **Creative Intern** January 2024–May 2024

Designed graphic content for community events, increasing attendance metrics and public engagement on social media.

Led technical troubleshooting of PCs, printers, and AV equipment.

Managed 100+ assets and pages on their WordPress website.

Sentinel Technology

Seoul, S. Korea / **Full-stack Developer** March 2021–May 2023

Developed security software used by governmental organizations, preventing 10,000+ cases of online personal information leaks.

Managed over 12 clients, providing over-the-phone and in-person customer support.

Traveled on-site to lead meetings with clients, improving customer relations and sales.
